HRD PT Triyakom

Jakarta Selatan, DKI Jakarta

Dear Sir/Madam,

I am writing to express my interest in the IT Support Staff position at PT Triyakom. I recently graduated with a Bachelor's degree in Computer Science (S.Kom) from Stmik Widya Pratama, majoring in Information Technology.

I have gained experience as a programmer during my time at Stmik Widya Pratama and have honed my computer skills through various student activities related to IT. I also had the opportunity to intern for three months at PT. Trans Indonesia Superkoridor, where I developed and maintained the company's systems and collaborated with the IT team to complete projects on time.

Additionally, I developed a sales system for a café named Warung Olahrahang using HTML, CSS, JavaScript, PHP, and SQL. My technical skills, combined with my excellent communication and problem-solving abilities, as well as my capability to work independently or in a team, make me a suitable candidate for this position.

Based on my achievements, skills, and experiences, I am confident that I could contribute effectively to your company. I am available for an online interview or training period at any time convenient for you. I look forward to hearing from you.

Thank you very much for your attention.

Sincerely,

Dicky Teguh Prakoso
